

# SUPER DOG TITO

BY  
ROY BROTHERS

In the town of Sunnyville, there lived a special dog named Tito. Tito was not just any dog - he was a superhero! Every day, Tito wore his bright red cape, which gave him the power to zoom through the sky and help anyone in need

Tito had a best friend named Benny the Bunny, who was always ready for adventure. Benny wasn't as fast as Tito, but he was clever and brave. Together, they made the perfect team!

One sunny morning, Tito and Benny were playing in the park when they heard a cry for help. "Help! Someone, please!" It was Ms. Kitty, who was stuck at the top of a tall tree!

Tito immediately zoomed up into the sky, flying faster than a jet! But, Benny had a plan too. He grabbed a ladder and helped Tito reach the top. Together, they rescued Ms. Kitty!
